MAKING EVERY MOMENT COUNT

Honoring Our Past – Rebuilding Our Future

Our Hospice Center Refresh *A Capital Campaign*

Our
HOSPICE
Personal Care | Palliative | Hospice

Honoring our past, rebuilding our future, a journey of compassion.

For two decades, Our Hospice Center journey of compassion has included a beautiful space for dignity and peace for thousands of patients and families in our community.

Within these walls, life's most profound moments have unfolded—tender goodbyes, final conversations and the quiet comfort of compassionate hospice care.

Honoring our past,
rebuilding our future

PROJECT OVERVIEW—WHY NOW?

After 20 years of service, Our Hospice Center building needs more than just maintenance. It requires thoughtful renovation to continue providing the exceptional care our patients, their loved ones and the community deserves.

Our commitment to Making Every Moment Count is unwavering, and Our Hospice Center must evolve to ensure we can continue to honor that commitment.

Your Gift Makes Every Moment Count

Your support of our \$2 million campaign ensures patients receive care in private, comfortable spaces, and families find peace in welcoming, home-like areas during life's most difficult times. Your gift gives our staff the modern facilities they need and secures compassionate, personalized end-of-life care for our community for decades to come.

The Impact of your Generosity

"Within a month, both of my parents needed the Hospice Center. Mom's leukemia and Dad's dementia and CHF were very different challenges, yet the staff cared for each of them with compassion, dignity, and love—like family. The comfort of Mom's room and garden patio brought peace to her final days, and the respect shown to Dad made all the difference. In the hardest time of our lives, Hospice gave us the gift of simply being together."

— **Brigitte Halvorsen**

Join us in this sacred work

Every contribution, regardless of size helps us honor the past, while rebuilding the future. Together, we can Make Every Moment Count in a space designed for comfort and peace.
